The Bulldogs of Old Rochester mounted two scoring drives to notch a 12 to 0 win over the Wareham Vikings in the latest edition of the Cranberry Bowl rivalry as shown on our cover and photos on page 12.

Cover - Clockwise from the top left: (1), Frank Oliva turns upfield in a strong run as he stiff arms defender Michael Dias of Wareham. (2), The Vikings victory smile belonged to Miss Cranberry Bowl Queen Terry King in this photo. Miss King was crowned at halftime. (3), Quarterback Jim Lanagan carries through the right center with Frank Oliva 41 and Jeff Pina 40 leading the interference. Scott Rose of Wareham is 79. (4), Normand Desjardins, representing the Regional Scholarship Club, sponsor of the contest, presents the new Miss Cranberry Bowl Queen her bouquet as 1975 winner Beth Ashburn of Wareham officiates at the halftime crowning ceremony. The washout of Saturday postponed the game until Sunday and the Old Rochester Band was committed to a Walkathon to SMU.

Left to right, Wareham's Joanne Pajunen, Lisa Baker and Terry King; Old Rochester's Karen Wilbur, Debbie Johnson and Leslie Chase. Miss Baker was first runner-up and Miss Wilbur second runner-up. Miss King was chosen on the basis of scholarship, poise and personality by a panel of judges comprised of Dr. Frank Gifune, Nancylee Gaucher and Norman Trudell following interviews of all the candidates on Saturday, under the sponsorship of the Regional Scholarship Club. (5), Jeff Pina shows some power as he is nabbed by Martin Cardoza 87 in this plunge. Tom Lanagan 88 of ORR, Michael Andrade 27 and Phil Lanza 78 of Wareham are identifiable in this shot.

Excellent defensive play by the Bulldogs was the key to victory as the Vikings' attack was shut down and the Bulldogs enjoyed good field position throughout the contest. A late Viking attack through the air gave Wareham rooters a thrill as Keven Gomes threw long to Rudy Perry to the ORR 10. A pass to the right side of the end zone was right on the money but Jeff Pina deflected the strike as the game ended. The Cranberry Bowl was the Bulldogs' 4th straight win of the season.

Why you should Vote No on Question 5

Question 5 will cost you hundreds of millions in new taxes. (It could cost up to $120 for each taxpayer)

These figures are based on information received from the State Dept. of Taxation. We include in this figure man-hours spent, bureaucracy costs and wasted effort.

Question 5 will not do a darn thing to reduce crime.

The people who have the right to have firearms in their homes are not criminals. Criminals will continue to have guns.

Question 5 will take away one of your constitutional rights.

The bill of rights provides the right to bear arms and Massachusetts has the most stringent gun control laws in the country. The right to defend yourself must not be taken away.

All major police organizations want you to vote no to question 5.

Policemen know that the only way to stop crime is to stop the criminal.

Question 5 discriminates against your law-abiding neighbor and you.

This question would discriminate against the people who license themselves and register their firearms. It will not take firearms away from the criminal.

Question 5 would take firearms away from policemen while off duty.

The varsity football team defeated Wareham 12 to 0. Frank Oliva scored the two touchdowns in the game. The team now has four wins and no losses.

The cross country team extended its record to nine wins and only one loss as they defeated both Feehan and Case. In the Feehan match Jimmy Wingate finished first and set a new school record of 12:30. Mike Faye finished third, Steve Labbe fifth, sixth place went to Dave Perkins, and eighth place to Steve Magee.

Jimmy Wingate took first in the Case match followed by Bill Cattley in third, Steve Labbe in fourth, Steve Magee fifth, Craig DeLuca sixth, Nat Sawyer in eighth place, and Dave Perkins tenth.

The girls' volleyball team now has a 5 wins and 1 loss record as they defeated New Bedford Voke and New Bedford High, both by a two to one score. Coach Rodrigues praised Kate Bauer, Melissa Lorenz and Karen Wilbur for their excellent serving; Beth Lammi for doing a good job filling in on the starting line; and Betty Harkins and Alison Anselmo for fine efforts in both of the games.

The varsity soccer team also won both of their games last week. First, they defeated first place, undefeated Dennis-Yarmouth, 2 to 1. Wayne Caswell scored both of the goals for the team.

The team then defeated New Bedford Voke 4 to 2. Wayne Caswell again scored two goals while both Doug Cameron and Davy Andrews scored a goal. The team is currently in second place and must retain this position if they wish to enter the state tournament.

MYSTERY AT THE INN

Mattapoisett Inn Proprietors Charlie and Solly are now in the process of restoring the Inn to an authentic period look of age and this week they were removing the ceiling tile over the dining room to uncover the original ceiling beams and boards. Under the hearth of the second floor fireplace they discovered a crockery pot visible from the ground floor next to the ceiling beam. In the pot was an ancient rusty key. Now the two Innkeepers will keep their eyes peeled for the chest? the box? the cupboard? that the key will unlock. In the meantime the crockery pot remains firmly built into the rafters over the former location of the bar the back of which is the dining room chimney and fireplace.

Letter to the Editor

After reading in the Presto Press of the plan to straighten the curve in front of George Eldrige's property I took a ride by there and I found nothing particularly difficult in it - there are many more serious curves in town.

When we have been doing good in holding taxes - at least this year - I definitely can not see any possible excuse for that project.

Just for one instance of a real bad curve is the one on Acushnet Road just west of the housing project - a sharp curve where the

Cut & Save - Compare the Candidates

THERE ARE FUNDAMENTAL DIFFERENCES

between the candidates for State Representative for the 7th Plymouth District

I, Charles N. Decas, am TOTALLY OPPOSED to the Graduated Income Tax.
If this ever passes, you will be at the mercy of a State Legislature who promised that the Sales Tax and the State Lottery would reduce our Real Estate Taxes.

The overwhelming majority of voters in this District have already rejected this tax.

RESULTS OF 1972 REFERENDUM VOTE

	Mattapoisett	Marion	Wareham	Carver
Opposed to Graduated Tax	63%	64%	66%	63%
Favoring Graduated Tax	29%	27%	24%	27%

YET MY OPPONENT PUBLICLY SUPPORTS THIS TAX. HE ALSO SUPPORTS AN INCREASED SALES TAX. HIS VIEWS DO NOT REPRESENT YOU, THE PEOPLE OF OUR DISTRICT.

SEND THE BETTER QUALIFIED CANDIDATE TO THE LEGISLATURE TO SPEAK OUT ON THE ISSUES FOR YOU!

SOMEONE HAS TO MAKE IT HAPPEN!

high ground level makes it a real blind curve - heavy trucks and cars roll at a good speed around it - sometimes children are out in the street. This curve alone should take precedence over the Prospect Road project - if we have a barrel of cash for projects.

LICHENS

Lichens, a very common but unobtrusive plant found most everywhere, will be the subject of this Saturday morning's field walk at the Museum Outdoors. The lichen is not really a plant but two plants, an alga and a fungi, living together for the benefit of both. Lichens are important as animal food, natural dyes and sometimes as survival food for man.

Learn about lichens this Saturday morning, October 23, at 10:00 A.M. at the Museum Outdoors, 100 Old Westport Road in North Dartmouth. All adults as well as children accompanied by an adult are welcome to attend this free program.

VOTING IN MATTAPOISETT - NOVEMBER 2

For the first time, the polls are going to open at 7:00 A.M. to enable voting on the way to work. Take advantage of this early opening and help us to alleviate long lines later on in the day. Tear the back page out of your red "Information for Voters" pamphlet that you will receive in the mail, mark the questions and bring it to the polls with you. The law allows only 5 minutes in which to vote. If you haven't read the questions in advance, it will be very difficult for you to decide on them at the polls.

HAVE A SAFE HALLOWEEN

Today, Halloween is intended as a time of fun, but smart parents know that there are some precautions they should take.

These guidelines are presented to school children and their parents as part of the Junior Fire Marshal program of fire prevention and safety education sponsored by The Hartford Insurance Group, in elementary schools across the nation.

If you use a jack-o-lantern to decorate your home, it is better to light it with a flashlight than with a candle.

If you do use a candle keep the jack-o-lantern out of reach of youngsters.

Be sure the costumes your children wear are not flammable.

Have your children carry a flashlight if they go out after dark.

"HAUNTED HOUSE" IN BOSTON

Those chills, thrills and goose bumps spotted by Boston radar stations recently are headed directly for the Jamaicaway and are due to arrive at the Children's Museum on Friday, October 22nd.

That's when the "Haunted House - 1976" opens its creaky doors and the spooky, kooky structure will be in the business of bewitching you through Sunday, October 31st, Halloween, of course. The hours to visit this devil's domain are 2-6 P.M. on weekdays and 10-6 P.M. on weekends.

Lest you think the "Haunted House" could tend to frighten rather than fascinate youngsters, be assured the attractions are done in the best of taste and talent. In fact, the spooks should put your young ones in "the best of spirits". All in all it appears that the 1976 edition is a bigger, better, scarier than ever production.

Now, before some goblin comes along to interrupt, let us point out that the "Haunted House - '76" is sponsored by the Children's Museum Aid, a group of Greater Boston women who have dedicated themselves to supporting the Museum.

Proceeds from the program support the Museum's free and low cost educational services to Boston area schools and community agencies.

A PLEA TO MEMBERS OF MATT. GRANGE

A meeting of Mattapoisett Grange will be held Thursday night in the Grange Hall. It is very important that members of Mattapoisett Grange be present. There must be a quorum in order to transact important business that is coming up pertaining to continuing with the Grange. The work on the hall will continue as soon as there is a quorum of members there to vote on it. So the question is, do you want it or don't you? It is up to you as a member. Your presence is a must in order to carry on.

Remember, the Grange has been one of the biggest factors in helping Mattapoisett grow into the fine town of Mattapoisett.

MATTAPOISETT TRACK CLUB

The Mattapoisett Track Club has just completed another successful summer track season. This season we expanded our activities to include meets in Lewiston, Maine, the Eastern Regional Jr. Olympic Trials in Syracuse, New York, as well as our weekly trips into the Boston and Worcester areas for NEAAU developmental meets. In the course of the summer the team has accumulated over 400 place ribbons and trophies as well as several outstanding athlete awards and team trophies. Several members of the team have left their names in record books at various meets throughout New England. We have been fortunate enough to have acquired a bus which has solved the transportation problem. The team traveled over 3000 miles this summer. These accomplishments could not have become a reality without the help and cooperation of a lot of people.

The members and directors of the Mattapoisett Track Club would at this time like to thank the following organizations and individuals for their help and cooperation during the past summer:

Mr. John DeCosta and the Bicentennial Committee, the Board of Selectmen, The Highway Dept., The Rescue Squad, The Old Rochester Regional School Committee, The ORRHS maintenance people, The Wareham Recreation Dept., The Mattapoisett Lions Club, MECA, The Mattapoisett Police Dept., Mr. Jim Bradshaw, Mr. Jim Hubbard and his crew of scorers, timers and judges, Mr. Dan Mello, Mrs. Sarah Kinney, Tremblay Bus Service, Mr. and Mrs. Robert Fay, The Nest Pizza Pub, Heuberger's Meats, Servomation, The Marion Sports Shop, Attorney Maurice Downey, Father Bill, The Donut Shop, the parents who drove to the early meets, Mr. Stephen Lombard, Mr. Paul Kelley and to all those who have supported our various fund raising events throughout the year. Waring estimates that approximately 300 calls are received daily by the university telephone operators with requests for general information.

"With the installation of this line, time spent answering and finding information for callers can be used more efficiently, and more questions can be answered."

The service will consist of an automatic answering line with a recorded one minute message. The first 15 seconds of the tape will be an up-to-date listing of the day's events, followed by a listing of all

NUCLEAR MEDICINE COMES TO TOBEY

The Nuclear Medicine Department at Tobey Hospital formally opened on September, 1975 after nearly a year of planning, study, and construction. The department consists of both a "hot lab" and a "camera room". The hot lab as it is called, is used for the preparation of isotopes - a radioactive element which is injected into the blood stream allowing the camera to pick up an image in the patient's body. The camera room contains a scintillating camera which is used to record images of various organs as well as to perform blood perfusion studies. Perfusion is the passage of a fluid over or through the vessels of a specific organ.

Mr. Gildo R. Cubellis, R.T., administrative chief technologist, underwent intensive training in nuclear medicine techniques at the Cardinal Cushing Hospital in Brockton and has been responsible for setting up the technical support for the department. Also trained at the Cardinal Cushing Hospital were Glenn Taylor, R.T., supervisor-technologist; and Greg Dinsmore, R.T., supervisor technologist who prepare the isotopes and image the patients at this time.

The nuclear medicine studies so utilized are an adjunct to diagnostic x rays and are helpful in evaluating many medical conditions such as brain tumors and masses,

cardiovascular accidents, thyroid disease, liver disease, pulmonary embolism, and various bone conditions.

In the hot lab, radioisotopes are used to label various substances which are then injected into the patient by an intravenous route or taken orally. The compounds are chosen for their ability to localize in different organs so that these organs can be studied. The radiation dose is small and, in most cases, equal to or less than that of comparable x ray studies.

With almost four hundred patients undergoing such diagnostic studies, the first year of nuclear medicine at Tobey has been an active one.

ELECT
CHARLES N. DECAS
BETTER QUALIFIED AS OUR NEXT STATE REPRESENTATIVE

TOWN OF MATTAPOISETT
MASSACHUSETTS 02739

OFFICE OF THE SELECTMEN

October 20, 1976

Dear Independent Voter:

I am writing to you, as a fellow Independent voter, to urge your support for Charlie Decas, candidate for Representative from the 7th Plymouth District.

As an Independent, I believe firmly in casting my vote for the best person running for each individual office - and that's why I am supporting Charlie Decas for Representative. I have known him for many years, and I have had an opportunity to work closely with him since being elected your Selectman from Mattapoisett. In all my contacts with him, Charlie has proven himself to be honest and candid in expressing his views, and hard-working and effective in translating his views into concrete action.

I believe that this is the kind of representation we need in Boston. We need someone who believes in the integrity and competency of local government, and someone who realizes that most of our problems are best solved right here - NOT IN BOSTON. We need someone who will be a leader in fighting for the best interests of the towns he represents, not someone who will follow the lead of the big-spending, big-city majority.

In short, we need Charlie Decas. To use Charlie's words, "Someone has to make it happen." I believe that he will make it happen, and I ask you to join me in taking the first step by voting for Charles N. Decas on November 2nd.

Very truly yours,

Richard W. Blasdale
